Property Description

This is luxury that knows no bounds. Villa is a destination home designed for the most discerning homeowner, rooted in its connection to nature and ready to give you the most amazing Costa Rican lifestyle you could imagine. This 3 bedroom, 3 and half bath custom property features Italian travertine floors, Costa Rican teak decking and stairs, one of a kind Balinese doors and sliding room separators, and incredible lush tropical gardens with a yoga platform, Buddhist sculptures and peaceful water features.Upon entry, note the custom designed large teak doors and spiral staircase in the main entry hall. The hand carved Balinese doors slide open to reveal an incredible ocean view through the main living area out to the large veranda and outdoor living space featuring the Anthracite marble pool with heated jacuzzi with a filtering system that allows you to swim in fresh water treated with zero chemical or saline.
