Property Description

Luxury meets design in this beautiful 3-bedroom, 3.5-bathroom ocean view eco villa withswimming pool in the Santiago Hills. Designed by award-winning sustainability specialistarchitect Benjamin Garcia Saxe, this villa overlooking the quaint and charming town ofManzanillo on 5160m2 of land is all about the essence of natural living. Whether for living in oras an investment piece, the home's stunning open design concept, stellar rental history, andunparalleled architectural pedigree make it one of the most unique and sought-after listings inthe area.The villa is located at the intersection of ocean and jungle, and the home's design is centeredaround echoing and amplifying this theme. Views of the Pacific Ocean are on offer everywhere,starting with the home's outdoor swimming pool and deck area. Its placement just off of adramatic change in elevation provides sweeping views of the jungle valley and ocean below.
