Property Description

Located in the breezy mountains of La Alfombra de Tinamastes, this cozy 2 bedroom /2 full bathroom home is the perfect spot for people wanting a nice mountain getaway. The property is quick and easy to access with any 2-wheel drive vehicle and is just a few minutes off of the main asphalt road going from the city of San Isidro to the Dominical Beach area. Built in 2017, this 1800 sq ft home is equipped to ensure you feel right at home with hot water, fast-speed fiber optic internet, ICE electricity, legal AyA city water, a gated entry, and cable TV availability. Although the house is equipped with A/C, it is rarely needed at this elevation due to the cool breezes that flow throughout the day. The house is a two-story steel rebar and solid concrete block home, which means it is built to last. The wood furnishings in the home are made out of high-pressure treated Chilean Pinewood. The lower level is made up of a screen-in porch, the kitchen, a spacious living room, an outdoor entry full-bathroom, a laundry room, and a single bedroom.
