Property Description

Located in the highly sought community of Escalaras, Casa Ombak truly is an amazing opportunity to own the top luxury home on the market today! As soon as you walk in the front door, be prepared to be amazed! This luxury home features unobstructed panoramic views of the Pacific Ocean and colorful sunsets from every room of the house. It includes fine living and entertaining within the ambiance of a rainforest jungle with the sound of crashing waves. It's perfect for your next investment property or full-time residence. Leif Bernhardt built this luxury home, combining a tropical modern contemporary build that blends nicely with the surrounding environment. Bernhardt used travertine tile throughout the house, making this home feel modern and luxurious. This boutique hideaway features the best indoor/outdoor living with big windows to take advantage of the natural lighting and open-air amenities.
