Property Description

This beautiful home is located just steps from one of the most popular beaches in Costa Rica, crescent shaped Jaco Bay! It is conveniently located in a peaceful, beautifully landscaped, secure gated community near the beach with all the shops, restaurants and other amenities just walking distance away. This unit feels like home from the minute you step through the front door as it is located on a desirable end corner with beautiful back yard gardens and private patio giving it the feel of a private topical villa in paradise. The Jaco Princess condos are collectively a little oasis tucked away from the hustle and bustle of a thriving beachfront community, but walking distance to everything! This proximity to the beach and shops also makes this home ideal for an excellent vacation rental so you can earn substantial income when you are not using it yourself. That is because Jaco is a mecca for tourists who come to do all sorts of eco adventures including surf lessons, ATV tours, monkey tours, whitewater rafting, zipline canopy tours, catamaran sailing adventures, coffee tours, flora, fauna and bird watching tours and more! This beachside community features beautifully landscaped common areas.
