Property Description

Perched high up in Reserva Conchal's Jobo neighborhood—the closest condo to the beach — this amazing two-story, 2,468 sq ft penthouse is a perfect place to reward yourself for all your hard work with relaxation and tranquility. Huge sliding doors open onto spacious terraces with jaw-dropping views over the 15th hole of the golf course and the Pacific Ocean just beyond. Lushly forested mountains frame the view on either side. Paradise as far as the eye can see! The first story has a fully-equipped kitchen with high-end, stainless-steel appliances, granite countertops, and loads of custom-built, hardwood cabinets. The open-concept floor plan flows seamlessly into the fully-furnished living and dining rooms. A powder room nearby is handy for guests. There are patio doors off the living and dining room that open to a large covered terrace with plenty of space to soak up the amazing views and fresh Costa Rican air.
