Property Description

La Vida Mar is a unique opportunity to experience the opulent lifestyle of Avellanas, the most renowned guard gated Community in Hacienda Pinilla, where a wealth of meaningful experiences will bring nature, peace, and joy together with your mind, body, and soul. La Vida Mar is on the market for the first time and has an impeccable free and clear title to the beach line. The setting of La Vida Mar is incomparable by any other coastal property in Costa Rica. The new Flamingo Marina, which can accommodate boats of any size, is just 30 minutes away, while Tamarindo is only 10 minutes to the south. The Liberia International Airport is also only 32 miles away. The house is situated at the most southern point of the 4,500-acre Hacienda Pinilla Community, which has a variety of amenities but is also mostly designated for everlasting preservation in order to safeguard its extensive wildlife, varied flora, and fauna.
