Property Description

Costa Rica is a country that is renowned for its stunning natural beauty, with lush rainforests, pristine beaches, and diverse wildlife. For those seeking a peaceful retreat amidst the natural wonders of Costa Rica, Tulpa Ridge is the perfect development to call home. This home is nestled in the hills of the Matapalo in the South Pacific of Costa Rica. This is a modern designed 2 bedroom 2 bath home with a large spacious usable lot. The pool is surrounded by large gardens and teak trees from the old farm. The owner has really detailed the house to have the best modern amenities. This Home is the first of many homes that will be built in this beautiful development which is designed to provide residents with an eco-friendly way of living while offering an unparalleled level of comfort and luxury. This gated community has a single road that makes access a breeze. One of the standout features of Tulpa Ridge is its proximity to Playa Linda, a stunning beach known for its crystal-clear waters and pristine sands.
