Property Description

This property is a fully fenced and gated, 2 bedroom custom built home, neighbouring a ranch with freely roaming cows and horses. Built to European standards, it features extra-large windows with custom thermal window treatments and vaulted ceilings allowing for a bright and cheerful ambiance. The home boasts an open concept kitchen, living, and dining area with custom-designed lighting to maintain the open and airy ambiance. The kitchen adds to this atmosphere with its all-white design, gorgeous Carrera marble countertops, and stainless steel appliances. It also features a large kitchen island for ample prep space, additional lower cabinet storage, and a seating area for guests to enjoy. The 2 bedrooms with built-in solid bay wood closets continue the bright and airy theme and are generously sized. The bathroom has a large shower, European style fixtures, more bay wood cabinetry and natural stone wall tiles.
