Property Description

Looking for an income-generating vacation home close to all of the amenities the southern zone has to offer? In the heart of Ojochal, just steps away from a delightful café and organics food store, this lovely home with mountain view is perfect for everyday living. Currently this is an income-generating investment opportunity, long-term tenant occupied, however would also be an ideal full-time home for a single person or couple. This property location fosters a neighborly environment and is being sold fully furnished, turn-key. Situated in a boutique development, the property has a beautifully landscaped yard, featuring a variety of native tropical plants and an inviting private pool. You will delight in the fresh mountain breezes as you lay by the pool, or while dining on the terrace. The 2 bedroom, 2 bathroom home while deceptively modest on the exterior is quite spacious inside, featuring an exceptional floorplan, gorgeous Costa Rican cabinetry, vaulted teak ceilings and top-quality, comfortable custom furnishings throughout.
