Property Description

Imagine having the best of both worlds – a house in the buzzing village of Ojochal with her world-class restaurants, boutique shops, fitness and leisure facilities and full services and amenities AND being flanked by jungles that stretch all the way up the 1,300 metre (4,300 foot) coastal mountains which, literally, sit in your boundless natural playground just across the street! And I didn't even mention that this amazing property is blessed by a relaxing ambience of a nearby river! In the foothills of the coastal mountains, this house is less than 1 km away from the centre of Ojochal – a 5 minute walk to Tagua Café could be your morning routine while the locally famous Los Gatos Locos restaurant/live music venue is 15 minutes' walk from the house. Grocery stores, a pharmacy, a gas station and even a carwash are just a few minutes' drive away, as are multiple eateries, pubs and many other services.
