Property Description

Say hello to Cielo Mar #3, a magnificent three-story property in Playa Penca overlooking the Pacific Ocean. This spectacular condo, with a huge 1926 sq ft of living area, offers breathtaking panoramic views of the ocean from every level. Cielo Mar #3, located among only 4 other condominiums, is a genuine gem with 2 bedrooms and 2.5 baths. On the bottom floor, you'll find a guest bedroom, a full bathroom, and a nice living area that may easily be turned into a third bedroom. The patio doors lead to a private outside grilling and dining space, ideal for hosting friends. The common pool and jacuzzi, which are bordered by a beautiful fuchsia-pink bougainvillea plant, provide a calm retreat to unwind and soak up the sun. As you ascend the concrete leaf-stamped staircase to the second level, you will find a large open area with the kitchen, which features gorgeous granite countertops and local wooden cabinetry, a half bath, the dining room, an indoor living room, and a covered terrace.
