Property Description

Imagine waking up to the sound of song birds and the sun gently kissing your face as it peaks over the mountains of your new beautiful home. This doesn't need to be a dream; it can be a reality. This offering also includes an extra building site that is perfect for adding garden space and a pool, or an additional home. Located 15 minutes from the town of San Isidro Perez Zeldon, this is a private, small subdivision just like this. Welcome to Residential Los Crestones! At an elevation of 3,200 ft where the temperature doesn't exceed 78 by day and doesn't drop below 67 by night, you can enjoy this peace and tranquility overlooking five mountain ranges from your living room, enjoying the sweet sounds of freedom and being serenaded by the sound of green parrots and toucans. Each day is a new beginning, watching an array of colorful sunrises. This area is not only breathtaking but also surrounded by Farmer's Markets, hiking trails, rivers, and wonderful neighbors.
