Property Description

Discover this magnificent property, a true gem of renovation, nestled in the heart of a peaceful hamlet surrounded by lush coffee plantations. This 3-bedroom, 3-bathroom house has been meticulously restored to offer a living space that is both elegant and welcoming. Upon entering, you will be captivated by the stunning living area, where a high ceiling crafted from exotic wood creates an atmosphere that is both warm and majestic. The kitchen and adjoining dining area invite conviviality, with their beautiful granite countertop, wooden furniture, and meticulous finishes. The warm colors harmoniously blending between the tiling, walls, and wooden ceilings add a touch of rustic elegance to each room. The spacious and luxurious master suite is equipped with a king-size bed, offering absolute comfort for restful nights. The full en-suite bathroom is a piece of art too. Every space in the house benefits from large openings that flood the interiors with natural light and offer breathtaking views of the surrounding nature.
