Property Description

Barefoot Villa is probably one of, if not the, best deals in Playa Guiones. Here's why: First, the location is off the charts better than most everything & anything else. Plus, this 4 bedroom, 5 bathroom (3 full & 2 1/2 bathrooms) sleeps up to 14 people comfortably & is just steps away from the sand at Playa Guiones. Situated on one of the top 2 most desired street locations in K section it literally is just a couple minute walk to the sand, holds a good amount of people easily, & is priced lower than anything comparable with a superior location. Designed for indoor/outdoor living, the kitchen/family room opens to a covered patio with a second lounging area and a Guanacaste dinner table for eight. The gated private terrace includes lush tropical gardens, a pool, swim-up barstools, an outdoor bar at the rancho, an outdoor kitchen, half bath, outdoor shower, and laundry room. The gourmet kitchen features stainless appliances, a gas stove, granite countertops, custom Pochote cabinetry, and an island seating six.
